## En Route Program

## Community & Self-Referral Form

This form is intended for the use by community members to refer individuals and families to KIS En Route program, and also for individuals and families to self-refer themselves for services. The services are only available to refugees, immigrants and a limited number of temporary foreign workers, international students and citizens who face multiple barriers to their settlement. If they do not meet specific eligibility criteria they will not be considered for service, but meeting these minimum criteria does not guarantee services or immediate services.
